I (name and surname)....., have read through the attached information form and give consent to take part in the mentioned study.

I understand that:

- Participation in this study is voluntary.
- The participants may withdraw from completing the questionnaires at any time.
- The participants may refuse to answer any questions they would prefer not to.
- No information that may identify me will be included in the research report, and the responses will remain confidential.
- There are no direct risks or benefits for participation in this study.
- A research report will be written by the researcher and will then be handed over to her supervisor and further to the external examiner.
- Upon completion of the project raw data will be destroyed.
